

## ***An Invitation for an Overview of:***

### **PVSchools' Self-contained Gifted Programs Fall 2020 Virtual Parent Presentations**

Dear Parents,

Please join us for one (or all) of our upcoming parent nights wherein we will provide an overview of our self-contained gifted programs. While it feels as if this school year is just getting started, now is the time we typically open our application process into our self-contained gifted programs for the upcoming school year. We will continue to accept applications for these programs throughout the year (which is especially important to note due to our current delay in gifted testing).

These parent night presentations are designed to inform you of the application process and share information pertaining to the curriculum and instruction in each of the programs so that you can consider your options for next year. Applications, application deadlines & additional program information is available at [www.pvschools.net/gifted](http://www.pvschools.net/gifted). Please continue to check the website for updated information from the PVSchools Gifted Education Department.

All Programs will Start at 6:00 pm and be done Virtually via ZOOM. Links to register for the events are under each date. Please register for each event you plan to attend. When you register, you will get the login information specific for you to enter the meeting.

- Thurs., Oct 1, 2020 - Elementary Self-Contained Gifted Programs (SCG) ○  
<https://tinyurl.com/PV-SCG-Oct1>
- Tues., Oct 6, 2020 - Digital Learning Center (DLC – Middle School)  
○ <https://tinyurl.com/PV-DLC-Oct6>
- Tues., Oct 13, 2020 - Journey (Middle School)  
○ <https://tinyurl.com/PV-Journey-Oct13>
- Tues., Nov 17, 2020 - Gifted Preschool & Self-Contained Gifted Kindergarten.  
○ <https://tinyurl.com/PV-PreK-SCGK-Nov17>

All Presentations take place virtually on Zoom. They will be live streamed to the UPC Facebook Page and recorded for playback on both UPC Facebook Video & PVUPC YouTube Channels <https://www.YouTube.com/c/PVUPC/>.

Thank you for your continued support of our gifted programs!

Dr. Dina Brulles, Director of Gifted Education
