

9-12 Math Curriculum Adoption Meeting #2- February 16, 2021

Facilitators:

Dr. Courson - dcourson@pvschools.net

Amber Strang - astrang@pvschools.net

Overview

A committee was formed of high school and middle school teachers from across the district, parents, and principals to recommend a new 9-12 Math Curriculum to the Superintendent's Cabinet and Governing Board. The committee will strive for a consensus in their decision making where every member is willing to support and implement the adopted curriculum. Timeframe

The committee will use this map to guide them: [Curriculum Resources Adoption Process](#)

Plan for Meeting #2 - The committee will review math proposals and conduct the first elimination phase.

Plan for Meeting #3 - Vendors will present their products and the committee will conduct the second elimination phase.

Plan for Meetings #4 & #5 - The committee will have an opportunity to sample the products in their classrooms.

A soft launch will occur in Fall 2021 so teachers can begin looking at and using the new curriculum in their classroom.

Professional Development training opportunities will be available for teachers to learn how to use the new resources.

If the committee needs more time to come to a final decision on which curriculum to adopt, then they will keep working until the group can come to a consensus.

Communication

Some members of the committee volunteered to help communicate with stakeholders so a consistent message can be shared from each meeting. These volunteers will email a common document to their assigned group and answer questions as needed. They will also report back to the committee if necessary. (The list of volunteers can be found on Slide 14 of this [Presentation](#).)

Next Steps

Each subgroup will meet to discuss the proposals sent from each vendor. They will use a common [rubric](#) to determine if the vendor should advance to the next round of the adoption process. All 5 subgroups will report to the group on April 1 their feedback and if they plan to recommend the vendor.

Meeting #3 is scheduled for April 1 from 2:45 pm - 4:15 pm.
